### **WICHITA MAN RAMMED STOLEN VEHICLE INTO CHURCH**

WICHITA, Kan. (KWCH) - Update: The Wichita Police Department has arrested 36-year-old Goldy L. Metcalf of Wichita for first-degree murder, aggravated battery, criminal deprivation of vehicle, two counts of criminal damage to property, criminal trespass, possession of paraphernalia, and an arrest and detain order.

Wichita police are investigating after they say a man stole a vehicle, crashed it into a church, and then stabbed two people. The incident started Saturday morning when police say a 36-year-old man stole a blue truck near the 600th block of North Waco. While the vehicle's owner was outside of the truck dumping trash. Police say the keys were

inside the truck when the suspect came along, jumped inside, and took off with the vehicle.

The man then crashed the truck into a church near Poplar & Orme. Police say the man then got out of the truck, broke into a house near the 600 block of South Green St, and stabbed two people inside. One person died from their injuries, and the other was taken to the hospital in critical condition.

Police arrested the suspect a few blocks away from the house where the deadly stabbing occurred. Authorities also say he is a parolee. Investigators are now trying to determine whether the stabbings were random.

*What could we have done to prevent something like this from happening at our church?*
